'Let us love one another, for love comes from God'
1 John 4:7

Message from the Headteacher

Dear Parents and Carers,

Our new Sparkle Time clubs started well last Friday. We had Book club, Lego club, Eco club, Body Awareness club, Kitchen club, Computer club, Sign Language club, Art club, Recorder club and Textiles club. We are really excited to see what each club will create by the end of the half term.

Elephants have been thoroughly enjoying exploring the outside world with Forest School on Monday afternoons. The children have enjoyed using tools, making crafts, splashing in puddles and getting dirty!

Best wishes

Miss Michelle Prince
Headteacher

Half Term Value - Perseverance

This week, we enjoyed the story of David and Goliath from 1 Samuel 17 in the Bible. In this story, David showed us that 'No way through, isn't true' when you have faith in God.

Pupil Voice

Attendance

Thank you for your support in ensuring your child's attendance in school and being on time every day. Good attendance in school is a top priority and our expectation is that pupils attend school every day for every session. We believe that regular, uninterrupted attendance secures the best possible learning achievement for all our children and we are committed to working in partnership with families to achieve this.

Last week marked the launch of a national campaign, 'Moments Matter, Attendance Counts' by the government, directed at underlining the significance of moments and the impact of attendance on children's overall wellbeing and happiness. The campaign serves as a crucial reminder for parents and carers, emphasising that attendance matters not only for academic reasons but also for the broader, holistic benefits it brings to children. In alignment with this initiative, schools have been tasked with helping share this important message to ensure that everyone is aware of the collective effort in nurturing the well-rounded development of our children.
