**Message from the Headteacher**

Dear Parents and Carers,

This week I have spent time in classrooms looking at the children's Maths learning. I have been impressed with their effort and engagement. The children are always keen to explain what they have been learning and have been able to use mathematical language confidently.

Thank you to all of the children who put themselves forward as candidates for our pupil voice groups. Each class showed the British value of democracy by voting and we can now announce our roles of responsibility for the summer term.

**Half Term Value - Service**

In worship this week, we learnt that empathy is the ability to understand and share the feelings of another. Before we can show empathy to others we need to know how they are feeling. A group of volunteers acted out a range of clues that show us how someone is feeling. It could be their body language, facial expression, words or actions.

## Board Games Cafe

Friends of St John's will be hosting our first ever board games cafe today! Stay after school with your family for a relaxed afternoon with a variety of games. Drinks and cake will be available to buy too.

## Class Worship
